

First Session

Première session

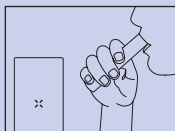

- 1** Grind material and pack tightly into oven.

Broyer le matériau et emballer fermement dans le four.

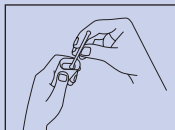

- 2** Press and release mouthpiece to power on your PAX MINI.

Appuyez et relâchez l'embout buccal pour allumer votre PAX MINI.

- 3** Wait for "X" to turn green. Enjoy. Remember: sip don't rip.

Attendez que "X" devienne vert. Prendre plaisir. N'oubliez pas : sirotez, ne déchirez pas.

- 4** Use included maintenance kit to clean device every 3-5 uses.

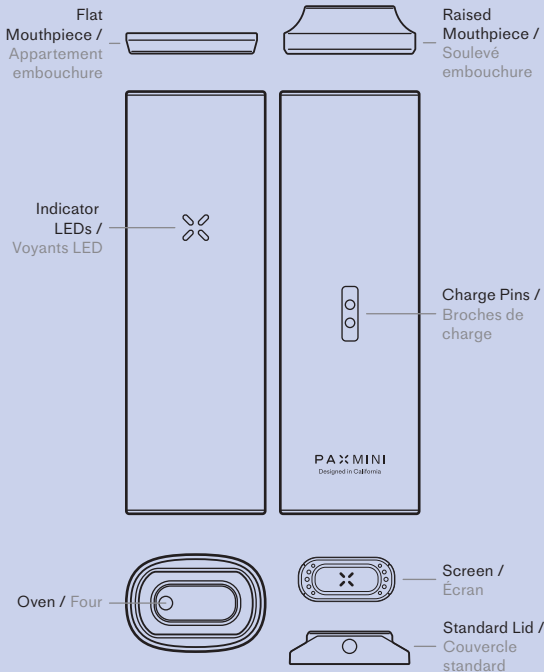

Utilisez le kit de maintenance inclus pour nettoyer l'appareil toutes les 3 à 5 utilisations.
